

We are a Professional Learning Community!

School No.12 firmly believes that it is the inherent right of every child enrolled to receive a sound education rooted in equal opportunity and delivered in an environment that ensures physical, mental, and emotional security.

School No. 12 recognizes the importance of promoting early literacy as a foundation for academic success. Through its instructional programs and co- and extra-curricular experiences, students will become independent thinkers, good decision makers, and self-supporting, productive citizens.
